Gifts of Stock

One of the biggest tax advantages in charitable giving continues to be the double benefit donors get when donating appreciated assets to ADI instead of cash. By giving appreciated assets (like stocks held for more than one year), you'll get a charitable tax deduction for the full value of the asset and avoid any capital gains tax that would have applied if you had sold the stock and made your gift in cash.

Please provide the following information in your request when directing your broker to transfer your shares to ADI:

ADI Israel Foundation
1416 E 7TH ST
BROOKLYN, NY 11230-5711
EIN: 30-0456686

It is important to notify ADI of the specifics of this transaction (stock name, share quantity, gift designation) so we can credit your gift appropriately.
