Make ADI A Beneficiary Of Your Life Insurance

Making a gift of life insurance allows you to transfer ownership of a paid-up life insurance policy to ADI. ADI elects to cash in the policy now or hold it.

How You Benefit from a Gift of Life Insurance

Make a gift using an asset that you and your family may no longer need.

Receive an income tax deduction equal to the cash surrender value of the policy.

You may be able to use the cash value of your policy to fund a gift that delivers income, such as a charitable gift annuity.
